Constitution In 1787 and 1788, along with James Madison and John Jay, he wrote The Federalist Papers, a series of essays supporting the ratification of the Constitution. Hamilton was appointed the first secretary of the treasury, established the Bank of the United States, and formed an investment

The Panic of 1792 in the United States - Duke University

The panic of 1792 is important for two reasons, one a matter of history, and the other a matter of economic theory and policy. First, as an historical event, the panic did not derail the US financial revolution taking place at the time, although it might have done so. During Alexander Hamilton's tour of duty as first US Treasury Secretary

Federalism and the Problem of State ... - Hamilton College

and President Washington promptly appointed Alexander Hamilton as the first Secretary of the Treasury. Just weeks later, on September 21, 1789, Congress assigned Hamilton the formidable task of drafting a plan to provide for the public credit. After 110 days, Hamilton submitted his 140,000-word report on how to restore faith in America's credit.
